

Travel assistance insurance for hotel guests

In this new reality that we are beginning to experience and at the time of planning any trip or stay in hotels, **Travel Medical Assistance coverage, together with other health guarantees for guests**, will be one of the most relevant factors in differentiating and ensuring safety when choosing our hotels as a tourist establishment.

This new solution, designed with one of the world's most qualified Insurers in the health care sector, allows our hotel guests to count on the capacity **for service and security** at a time like the present when it comes to facing a trip and hotel stay.

Benefits and coverage

This insurance policy offered by Hoteles Center for our guests has different coverage and benefits for you as a client:

- **Medical assistance during your stay in our hotel** up to 3,500 euros per insured person.
- **Repatriation or medical transport** of both the patient and his relatives, without limit
- **Convalescence** in the Hotel up to 10 days
- **Travel of family members** in case of hospitalisation of the guest and costs of stay in case of hospitalisation
- **Early returns**
- **Reimbursement of holidays** not enjoyed, up to 500 euros per insured person
